

New!

We now have a new soft multifocal lens in the office.

Bausch & Lomb Ultra for Presbyopia

Combines:

- aspheric optics, for exceptional vision even in low light conditions.
- innovative 3-Zone Progressive™ design .
- excellent end-of-day comfort of Bausch + Lomb ULTRA® contact lenses with Moisture-Seal® technology.

If you are interested in trying this new lens call the office to schedule a fitting 941-624-3939.
